Year 12 students have commenced their HSC exams today. It was pleasing to see so many of these students at the breakfast and blessing ceremony with Father Paul on Sunday. On behalf of Year 12, I thank Father Paul for his support of the students throughout the HSC process. Following my conversations with some of these students it is obvious that they are feeling apprehensive and excited about the HSC and our thoughts are with them at this time.

A reminder to all parents that the Positive Behaviour for Learning launch will take place tomorrow and parents are encouraged to attend and be a part of the festivities.

It was quite moving to have a number of Year 6 students approach me last week seeking an alternative method of raising funds for the Oliver Townsend appeal. These students had shown an incredible amount of drive and ingenuity to initiate an original fundraising technique. Watch this space for more information later in the term.

Also a reminder that Parent Teacher Interviews take place this Wednesday. Primary parents need to book an appointment time through the front office.

### Primary News

Students in Year 5 who are wishing to nominate for Primary school captain in 2016 were expected to return their nominations to Mrs Bramich today. These nominations will be discussed and a speech topic given to successful nominees next Monday.

Our whole school PBL launch takes place tomorrow. It would be wonderful to see as many parents and community members attend this event as possible.

On Wednesday we will be holding our parent teacher interviews. These are from 4:30pm to 5:30pm. Please ensure you contact the front office if you would like to arrange a time to meet with your child's teacher to discuss their progress.

Good luck to Lachlan Richardson who will be representing the Western Region at the PSSA state athletics carnival on Wednesday/Thursday. We look forward to hearing how he goes in his event.
Our kindergarten transition orientation day is next Tuesday 20th October from 9:15am. Any potential enrolments are encouraged to attend. There will be an information session for parents in the library whilst children are involved in activities with Mrs Bussenschutt. This will be followed by a tour of the school, more class activities involving parents and a morning tea for parents and children. Please ensure you bring a hat and water bottle for your child as well as their birth certificate, immunisation booklet and proof of residence as enrolments will be taken on the day.

Primary swimming begins this Friday. Students in Years 3-6 are required to bring their swimmers, a towel and entry fee (if they don't have a season ticket) so they can participate.

With the weather warming up it is important that all students are bringing a bottle of water and a hat to school. Students who do not have a hat are required to play under the shelter.

Have a great week

Assistant Principal

**Home Reading Program**

Lake Cargelligo Central School is commencing a new Home Reading Program in Term 4.

All students K-2 will be taking home the PM Reading Book that they have read in class that day. All students in Years 3-6 reading at PM Level 24 or below will also be taking home the PM Reading Book that they have read in class that day. This read at home is called a *Familiar Read* and is important in building to support students build confidence and phrasing with text.

These books need to be returned each day so other students can read these books. The students are expected to read this book (or where they are up to) once then return to school the next day.

Your support in this program is appreciated.
