Thank you to all those parents and students who attended the Memorial Hall for the Presentation Evening. It was a great night and I enjoyed celebrating the success of our students and seeing the new captains move into their leadership roles within the school.

We say farewell to a number of staff this year with Ms Clarke, Mrs Hopp, Mr Lee, Mr Miller and Mr Finlay leaving. I wish them well in their future endeavours.

I wish both of the Mrs O’Neill’s and Mrs Mann the best of luck with their pregnancy and births. I would like to say thank you to Julie Twomey who has run a very successful canteen over the past few years and wish her well in her future endeavours as well. Simone Hooper will be taking on the role of canteen supervisor from 2016.

Lake Cargelligo Central School is an outstanding school with a very committed and professional staff which I am proud to be associated with. Thank you for making myself and my family welcome and accepted in this wonderful community for the past twenty three years.

School will start back for all students on Thursday 4th February 2016 with the Swimming Carnival taking place on Friday 5th February.

schooling we also celebrated Christmas. What wonderful performances our students presented, from recorders to dance routines to drama and poetry, we certainly have a lot of talented students (and teachers). Thank you to everyone that attended both assemblies.

Thank you also to everyone who attended our Presentation Evening last Tuesday. It is always a great opportunity to acknowledge many of the students who display behaviour that underpins our school values.

Congratulations to James McCarten, Gabriel McCarten and Maisie Lawlor for achieving 100% attendance this year at school. This is a wonderful achievement for these students and their families.

A final reminder to all students to return ALL outstanding home readers and library books tomorrow.

School finishes for staff and students this Wednesday the 16th December. We would like to thank everyone for your continued support throughout the year and wish everyone a safe and happy holiday. We will see you all on Thursday the 4th February 2016.

Have a great week

Vivo Rewards

Over 110,000 Vivos have been awarded to students this year for following the school's values - Respect, Responsibility and Learning. This is a real indication of how well our students are going.

The school needs to finalise this years account with Vivo. To do this all students need to redeem their tickets by the first day of the 2016 school year. After this all 2015 tickets will be cancelled. If any student needs their details to do this they are to let their teacher know who will advise Mr Geale who will arrange this.
