Following the appropriate merit selection procedures, Craig Burdon has been appointed as the Principal at Lake Cargelligo Central School from 2016. Craig is moving from Moree and is looking forward to being a part of and working with the community and helping students to be their best in all areas of school life and beyond. I take this opportunity to welcome both of these experienced leaders into Lake Cargelligo Central School.

**Primary News**

This week is set to be our busiest week yet. Monday and Tuesday will see many students involved in rehearsals for Presentation Night which will take place at 7pm tomorrow night. We hope to see everyone there.

We will farewell our Year 6 students with an assembly on Wednesday at 12:20pm. Year 6 students will then head to the pool to continue celebrating the end of their primary schooling.

Our Primary Christmas assembly is on Thursday 10th from 2pm. Each class will perform a Christmas item. Students are encouraged to wear Christmas colours on this day.

Just a reminder to all students to return any home readers and library books that you still have at home.

Have a great week

7 December, 1941 - Pearl Harbour Bombed

At 7:55am Hawaiian time, a Japanese dive bomber bearing the red symbol of the Rising Sun of Japan on its wings appears out of the clouds above the island of Oahu. A swarm of 360 Japanese warplanes followed, descending on the U.S. naval base at Pearl Harbor in a ferocious assault. The surprise attack struck a critical blow against the U.S. Pacific fleet and drew the United States irrevocably into World War II.

Much of the Pacific fleet was rendered useless: Five of eight battleships, three destroyers, and seven other ships were sunk or severely damaged, and more than 200 aircraft were destroyed. A total of 2,400 Americans were killed and 1,200 were wounded, many while valiantly attempting to repulse the attack. Japan’s losses were some 30 planes, five midget submarines, and fewer than 100 men.

Home Reading Program

Lake Cargelligo Central School’s Home Reading Program will cease this week in order to do a stocktake in preparation for the start of 2016.

The program has been a huge success, with students taking responsibility to return their books daily. As a result of our trial the program will continue in 2016.

If your child has not returned their PM Home Reader please send it back this week.

The L3 Program will continue in the classrooms until the end of this week.

Vivo Rewards

Over 110,000 Vivos have been awarded to students this year for following the school's values - Respect, Responsibility and Learning. This is a real indication of how well our students are going.

The school needs to finalise this years account with Vivo. To do this all students need to redeem their tickets by the first day of the 2016 school year. After this all 2015 tickets will be cancelled. If any student needs their details to do this they are to let their teacher know who will advise Mr Geale who will arrange this.

Year 2 Gingerbread Man

Five Year 2 students have been reading ‘The Gingerbread Man’ in their L3 session and have also performed the play.

On Friday these students had the opportunity to make gingerbread men with Year 11 students and read the story to the seniors. Enough biscuits were made for each student in Year 2 to have one.
