On Thursday and Friday the Year 7-10 and Open Girls Secondary netball teams will be playing at Dubbo in the State finals. We are sure that the girls will proudly represent the school and give us their best effort. We wish the girls all the best.

The Healthy Kids Bus Stop program is a collaborative program led by the Royal Far West and supported by Local Health Districts Primary Health Networks, Aboriginal Medical Services and other local stakeholders. It offers a whole-of-child health screening, assessment and a pathway to care program for children turning 4 or those that have turned 4 or five this year. The program aims to improve the health and well-being of children through early detection of lifestyle risk factors, delayed development: and/or illness. It also provides the opportunity to introduce guidance for healthy lifestyles and early intervention strategies.

Amongst some of the Healthy stations -
- Visual Assessment
- Vision
- Oral Health
- Hearing
- Dietetics
- Speech
- Fine and gross motor skill development
- Health Promotion

The Healthy Kids Bus Stop will be at Lake Cargelligo Central School from 1st to the 3rd September 2015. It is essential that parents who are interested in being involved in this program register. To do this please call Royal Far West on 0289668500. Registrations for this program close on Friday 21st August.

Michael Brigden
Principal (relieving)
residents and staff. They will be performing George Ezra’s ‘Blame it on me’ and James Bay’s ‘Hold back the river’. Thank you Mr Edwards for organising this.

Mr Edwards and Minya will be taking a selected group of students from Years 3-6 to Cowra to participate in Indigenous dance lessons. Whilst the students are learning the techniques involved, Minya and Mr Edwards will also be learning how to teach Indigenous dance to students. Students who are involved in this will receive notes with details about the day.

The Year 3 assembly that was scheduled for 2nd September will now take place on **Wednesday 9th September at 2:20pm** due to the Healthy Kids Bus Stop using the school hall.

Have a great week.
Alissa Simmons
Assistant Principal
Year 6 Canberra Excursion

On 3rd August the Year 6 students set off on an adventure to our Nation’s Capital, Canberra. They battled the below zero temperatures and endeavoured to learn as much as they could while having as much fun as possible. The itinerary was packed with visits to places like Parliament House, The Deep Space Observation Centre, Questacon, Dinosaur Museum, The Australian War Memorial and even Ten Pin Bowling and Laser Tag. All students demonstrated our school values of Respect, Responsibility and Learning and were praised on many occasions on their excellent behaviour.

Year 6 would like to thank everyone who helped them raise money by either making a donation or supporting their various fundraisers. Also a very special mention to the P&C for their very kind donation.

Georgia Bramich
Students from our school have recently undertaken an education tour of the National Capital. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia’s history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the National Capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of $20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

Book Week 2015
We will be holding our 2015 Book Week costume parade on Wednesday 26th August at 2.20pm. Parents are invited to come along and enjoy our parade of infants and primary students dressed as characters from favourite books.

Anne Sanson

Tell it from me survey
This term, our school is taking part in the Tell Them From Me student, parent and teacher survey. The survey will provide us with valuable feedback on what our students, parents and teachers think about school life. This survey will help our school better understand how to improve student wellbeing and engagement. It will help the school identify what works to improve student outcomes.

Participating in the survey is entirely voluntary. Your child will not take part if either you or your child does not wish to. A consent form will be handed out to all students. If you do not wish your child to participate, please sign the form and return it to the school.

Marcus Geale

The first link room in the Administration Block has now been transformed into the Head Teacher Welfare Office (next to sick bay). This is where Mrs O’Neill can now be found. If any students, parents or guardians wish to speak to someone about a welfare issue within the school please feel free to call in or make an appointment with the school.

The PBL Official Launch will take place in October in Term 4. This day will be jam packed with guest speakers, special guests and fun activities to celebrate the positive changes which have now occurred in our school.

School uniform at Lake Cargelligo Central School is compulsory and the more students in uniform the better our students look and feel as a cohort. The Uniform Policy is currently being redrafted to make positive changes to our school culture. Uniform is extremely important as it enables teachers to easily identify students and keep them safe.
IF ANYBODY HAS ANY SCHOOL UNIFORMS THAT THEY NO LONGER WEAR OR ARE TOO BIG OR SMALL FOR THEM PLEASE BRING THEM TO SCHOOL AND GIVE THEM TO MRS O’NEILL WHO IS STARTING UP A CLOTHING POOL.

Have a great week!
Erin O’Neill
PBL Coach / Head Teacher Welfare

Student Representative Council News

1st Annual Lake Cargelligo Central School SRC Trivia Night – Save the Date!
Monday 7th September, 6-8:30pm

In partnership with Lake Cargelligo Sports Club the Lake Cargelligo Central School Student Representative Council (SRC) is holding the 1st Annual LCCS SRC Trivia Night at the Sports Club. There will be a wide variety of food and drinks available on the night. Cost: $10 per person (includes light supper). Bring a team of friends or make up a team on the night. Teams can be 2 to 8 people.

All money raised on the night will be utilised by the SRC for student run projects both in the school and broader Lake Cargelligo community, as well as building leadership capacity in our students through targeted leadership programs and activities.

We need your help!

To help make this night a success we are seeking donations of prizes from the community to be utilised on the night. Perhaps you own, run or work for a local business and can offer a product or a service as a prize. No prize to small or large! We are seeking major prizes, minor prizes, spot giveaways, individual game prizes and more! All donations will be acknowledged on the night verbally and through signage. If you are able to donate or have any questions about how you might be able to contribute to this night please contact Andrew Finlay at the school. We hope to see you there!

Andrew Finlay and Nicola Plowman (on behalf of the SRC)

EARLY ACTION for SUCCESS (EAfS)

L3 (Language Learning and Literacy)

Language, Learning and Literacy (L3) is a research-based, classroom intervention, targeting text reading and writing.

Students receive explicit instruction in reading and writing strategies in small groups of three to four selected students. Students then rotate to independent individual or group tasks. This occurs in the daily Literacy session.

The program goal is to reduce the need for more intensive and resource demanding programs in future years and to support students to read fluently and for meaning.

L3 is initially a Kindergarten intervention but the model of small group instruction is extended into Stage One with the aim of developing independent reading by the end of Year 2.

At Lake Cargelligo Central School this model has now been extended into Years 3 to 6 to allow small group instruction of all students in reading and writing. The aim of the Primary L3 model is to support those students needing intervention to achieve end of stage benchmarks and to extend the capable readers with more complex texts through the explicit teaching in small groups at the point of student need.

Lake Maths (LM)

The LM model is being trialled K-6 in Semester 2 to try and get the shift for students in Numeracy that we have been seeing with the L3 model with the Literacy outcomes. Students receive explicit instruction in the Numeracy Continuum Aspects of Early Arithmetic Strategies, Place Value and Multiplication and Division in small groups of three to four selected students. Students then rotate to independent individual or group tasks. This occurs in the daily Numeracy session. As with L3, the aim of LM is to support those students needing intervention to achieve end of stage benchmarks and to move the ‘on track’ students through the higher levels of the Numeracy Continuum with explicit teaching in small groups at the point of student need.

Evidence based

The student groups in L3 and LM are formed based on the PLAN data that is entered from the individual Literacy and Numeracy tracking sheets kept on each student. The Literacy and Numeracy Continuums provide suggested resources to
support the teaching and learning to move students at each level.

Ms Selby
Instructional Leader, Early Action for Success

Uniform
At the last P&C meeting an optional formal uniform addition was passed.

The optional uniform is as follows –

<table>
<thead>
<tr>
<th>Primary formal</th>
</tr>
</thead>
<tbody>
<tr>
<td>Top</td>
</tr>
<tr>
<td>Same light blue</td>
</tr>
<tr>
<td>Or Yr 6 shirt (for Yr 6 students)</td>
</tr>
<tr>
<td></td>
</tr>
<tr>
<td></td>
</tr>
<tr>
<td></td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Secondary formal</th>
</tr>
</thead>
<tbody>
<tr>
<td>Top</td>
</tr>
<tr>
<td>Same light blue</td>
</tr>
<tr>
<td></td>
</tr>
<tr>
<td></td>
</tr>
<tr>
<td></td>
</tr>
<tr>
<td></td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>Senior formal</th>
</tr>
</thead>
<tbody>
<tr>
<td>Top</td>
</tr>
<tr>
<td>White button up shirt plain</td>
</tr>
<tr>
<td>White button up blouse</td>
</tr>
</tbody>
</table>

The greatest change to the optional uniform is the addition of black slacks for the boys and a dress option for the primary girls. And for Senior students it was the addition of the black slacks with a button up white shirt.

ROYAL FAR WEST, ALONG WITH KEY PARTNERS PRESENT

LAKE CARGELLIGO
HEALTHY KIDS BUS STOP
1 – 2 SEPTEMBER

What is the Healthy Kids Bus Stop?
The Healthy Kids Bus Stop is a FREE child health check and pathway to care program for children aged 3-5 years old. The program includes:

- A comprehensive health assessment
- Vision and hearing check
- Oral health check
- Fine and gross motor skill assessment
- Speech assessment
- Food and Nutritional assessment

Why are health checks important?
Regular health checks keep kids healthy. Health checks will identify lifestyle, development or illness-related issues and will help your child be healthy and fit and ready to learn when they start school.

How do I book my child in?
Registrations are essential. Please call Royal Far West on 02 8966 8500. A time slot will be selected that suits you and your child. As this is a comprehensive health check please allow up to 2 ½ hours for appointments.

Registrations close 21 August.

Where will it be held?
To be confirmed.

What do I need to bring?
- Your child’s Blue Book
- Your child’s hat
- Your child’s drink bottle
- Snacks for your child
