Congratulations to all students who participated at the Lower Lachlan Athletics Carnival in West Wyalong last Friday. Our students performed admirably. Special mention goes to Ryder, Kaleb, Joel and Lachlan who made it through, at this stage to Western Region in their respective events.

Last week students from secondary participated in the Netball and Rugby League knockouts at Dubbo. Unfortunately the boys went down in the final of the day, however, the girls progressed through to the State finals with outstanding results in all of their games. Special mention was made by the umpires of the high level of sportsmanship displayed by the Lake girls.

On Friday night I was lucky enough to be at the KROP performance at the Griffith Regional Theatre. The Lake students performed a stunning piece utilising the skills that they have learnt under Miss Louise along with the guidance of Ms Moulds and her dedicated team. A wonderful night was had by all who attended and the performers come away from this buzzing with excitement and personal achievement. The performance is a credit to the dedication and commitment of all those involved.

The Year six students left early this morning for their Canberra excursion. The itinerary is full and the students excited to finally be on the way. This is a first off experience for some of the students who have never been to Canberra.

Our senior students are starting to feel the pressure with the HSC Trials examinations looming next week. During this time it is essential that students organise themselves into a functional study regimen which balances their school expectations with their other commitments.

Thank you to those parents who attended the school last week for Education Week Open Day, The feedback I received was glowing about the teaching and learning taking place in the classroom.

Michael Brigden
Principal (relieving)
Primary News
Thank you to all the parents/carers and community members who visited our school last week to celebrate Kindergarten's 100th day of school as well as Education Week. We hope you all enjoyed it as much as the students did. Well done to Miss Moulds and the entire KROP team on their wonderful performance in Griffith last Thursday and Friday. A lot of time and effort has been put into this and it was certainly a valuable experience for all involved. Thank you to everyone else that was involved with KROP. Congratulations to all the students who participated in the Lower Lachlan Athletics Carnival last Friday. All students were great representatives of our school. Congratulations to Ryder Smith, Kaleb MacQueen, Joel Golding and Lachlan Richardson who have made it to Western Region.

Miss Freeman has started a drawing club for students in years 3-6 during lunch on Mondays. The students can choose to attend each week. So far they have learnt how to draw a dragon and a tiger.

Mrs Bramich, Mr Finlay and year 6 students left early this morning for their week long excursion to Canberra. We wish them a safe trip and hope they enjoy this wonderful experience.

A reminder that Kindy gym and Story time runs each Tuesday from 11:00am-12:00pm. All 3-5 year old children are welcome to attend with their parent/carer.

Year 4 are hosting this week's assembly on Wednesday at 2:20pm. We hope to see you all there.

Have a great week.
Alissa Simmons
Assistant Principal

Book Week 2015
We will be holding our 2015 Book Week costume parade on Wednesday 26th August at 2.20pm. Parents are invited to come along and enjoy our parade of infants and primary students dressed as characters from favourite books.

Wudhagaragarra Awards

On Thursday Leilani Bell travelled to Dubbo to attend the Wudhagaragarra Awards. These awards recognise and celebrate the achievements in Indigenous Education. Leilani received outstanding achievement in sports in secondary. Shanya Bell and Latrell Dutton also received awards however were unable to attend. Shanya received an award in leadership and Latrell received an encouragement award. Well done to all students!

Taryn Kendall

ASPIRE TRIP

On the 20th of July four year ten students travelled to Sydney for a three day workshop with aspire a program aimed at increasing students knowledge about university and life after school. The students who included Sarah Luck, Jessie Carlsson, Laurie Watts, Meg Stenhouse and our teacher Mr. Papas.

On Tuesday the 21st we started by going into our groups, Art and Design, Law and Medicine. We then had an icebreakers workshop which we all enjoyed as we got to speak to new people and complete fun activities. We then went into a Lecture room where various people told us about their careers and explained the steps they needed to take to get there.

After lunch we got to go to our next activity, which we stayed in our chosen groups, Sarah and Meg went to a Medicine workshop where they extracted DNA from a banana. Jessie went to a Law activity where she was given scenarios that she had to work out the punishments for the people involved. Laurie went to a workshop with a professor from art and design who then talked to the group about art school and completed creative activities.

After that we went back to the motel and had free time to chat with the students from other schools. That night we all went out for tea at Darling Harbor it was a great time to get to know everyone.

On Wednesday Sarah, Laurie and Meg went to the SCG (Sydney Cricket Ground) where we learnt about the history of the grounds and buildings. We also met people who work at the SCG they explained their roles and how they got where they are today. We then went back to the university where Sarah and Meg visited the Prince of whales hospital we were given a tour of the medical imaging (X-ray) area. We learnt how the images are taken, the amount of radiation a person should have and how to perform CPR on patients.

Laurie went to NIDA (National institute of dramatic art). She completed a lot of movement activities and heard from people studying different aspects of theatre.

Jessie went to Google, she was informed about the jobs that Google workers have and how they got
there. She was then taken on a tour around the Google workplace and shown what is at Google. After Google Jessie went to Sydney town hall she had a tour of the building and was shown one of the largest organs in the world. She then got to see all the live surveillance from around Sydney.

We then went back to the motel and had Pizza for tea; we also got free time to talk to the different students.

On Thursday we were put into larger groups and spent time doing a test to work out what sort of person we are. We also had various lectures about career paths and opportunities. They spoke about the steps rural children can take to get into university and scholarships that are on offer for students. We then had a BBQ at the university for tea with all the ambassadors that had spent time with us over the three days.

We then went back to the motel and enjoyed the late night shopping and free time that we could spend with the students from other schools.

Over the week we made a lot of new friends including students and ambassadors who we will sadly miss. It was a great experience, one that we will never forget. We believe it would truly benefit anyone who would be lucky enough to go; even if you are still contemplating going to university it will broaden your eyes.

Student

Lachlan Access Program

Lake Cargelligo Central School students are involved in the Lachlan Access Program. This program delivers the full suite of HSC and Preliminary Courses across five sites including Condobolin High, Ungarie, Tullibigeal and Quandialla Central Schools.

Already in 2015 students have been involved in a number of excursions and study days, including HSC Study Days in Dubbo, field trips to Mana Mountain and Lake Cowall, practical science experiments and PDHPE workshops.

There are a number of upcoming important events for LAP students in Term 3. The HSC Trial Exams begin on the 10th August and continue through until the 21st August with final Year 11 exams being held in the week of the 7th of September.

LAP will also be holding its annual Year 12 Graduation Celebration in Tullibigeal this year on Thursday the 3rd of September with all Year 12 Students, Staff and families are invited to attend.

Again in 2015 LAP is funding the Crossroads excursion for all Year 10 students across the program to attend Lake Burrendong Sport and Rec Centre in Term 4.

In other news we are about to implement a full technology upgrade across the program. Following on from a state grant every access room in all of our schools will receive state of the art makeover including new interactive technologies, new computes and furniture. Work is expected to commence in the coming weeks.

On behalf of SRC
Rugby League

The boys under 16s rugby league team competed at the Dubbo 7s tournament last Monday. The team performed extremely well winning all four of their pool matches finishing first in their pool. The boys defeated Trangie 20-10, Tullamore 12-10, Dunedoo 28-6 and Gulargambone 18-12. Due to topping their pool the team qualified for the final with the winner of the match progressing to the state finals in three weeks time. The boys faced Yeoval in the final and in a very tough match and narrowly lost 18-6. All the boys put in an amazing effort and did their school proud. Standouts for the day were Wendall Kirby who scored 6 tries and kicked 9 goals, Lincon Kirby who scored 5 tries and was amazing in defence. Captain Will Brown played at a very high standard leading the team from the front with excellent defence and hard running. Jason Fell was another stand out showing amazing strength and determination.

Team members were Will Brown, Lincon Kirby, Wendall Kirby, Todd Collins, Matthew Cruickshank, Jason Fell, Channa Thea, Cody Collins, Jackson Patterson and Zac Brown.

Andrew Carter

Central School Netball

Year 7-10 Netball are off to the Central School State Finals! Last week our Year 7-10 netball team travelled to Dubbo to compete in the preliminary rounds of the Central School Netball Competition. We had an amazing day coming away undefeated. Our first game we played was against Trangie and we played really well. Maddy Morris had her eye in the ring achieving players’ player and we came away with a win of 25-8.

Our second game was against Warren and we won 30-5, everyone put in 100% and there were many intercepts throughout the game by our team. 4 team members received players' player they included Ebony, Ashleigh, Mandy and Kate.

Our third game was against Dunedoo, Dunedoo started out strong, then we pulled it back with the score 16-11 leading to a tight win. Maddy Baul received players’ player.

In our 4th game against Yeoval we won 49-5 which is an amazing effort from the girls, with everyone having countless intercepts and our shooters were right on target. Lillian received players’ player.

Our next game was the final; we had to play against the team that came second in pool A. We ended up winning the game 40-3 which shows how much the girls wanted the win. All the girls had an awesome game with everyone getting intercepts, many turnovers and everyone was very encouraging towards each other.

A big thank you to Kerry Johnson for umpiring, the mums for coming to watch and Miss Jolly for coaching us throughout the day!! We will be Competing at state on the 20th of August in Dubbo. Ebony Turner and Meg Stenhouse

* The team are to be commended on their wonderful sportsmanship as there was many teachers and umpires that commented on the way the girls conducted themselves throughout the day. A credit to all of them.

Lisa Jolly
NAIDOC DAY AT ARIA PARK

Last Wednesday the LCCS Aboriginal Leadership Group (ALG) was invited to travel to Ariah Park Central School to run NAIDOC Day celebrations. The ALG spent several weeks organising and arranging the activities for the day and were rewarded with a fantastic day enjoyed by all. The ALG ran a number of activities to celebrate and recognise Aboriginal culture. These included boomerang painting, Indigenous games, mural painting, clap stick painting, making johnny cakes and a talk on the RECOGNISE campaign (www.recognise.org.au), which the ALG have been promoting throughout 2015.

The NAIDOC Day celebrations began with a smoking ceremony performed by Aunty Lola Black and a Welcome to Country in local Warajri language by Ricky Kirby. For many students at Ariah Park this was their first experience of these elements of Aboriginal cultures and they had a profound effect on those present. The ALG would like to thank Aunty Lola for giving up her time to travel with the group and share her culture with the students of Ariah Park Central School.

The ALG members represented their school, community and Aboriginal heritage with great respect, responsibility and leadership. The following students should be congratulated on their efforts: Shantelle Ohlsen, Shanya Bell, Rhiannon Bell, Travis King, Heath Lightfoot, Ricky Kirby and Eliza Green.

The ALG would also like to thank Minya Kirby and Josie King for all their assistance and efforts to make the day a success.

Thanks you also to principle, Justin Dunn, and the staff and students of Ariah Park Central School for inviting us to their school and we look forward to continuing the relationship in years to come.

Andrew Finlay
ALG Coordinator

Student Representative Council News

1st Annual Lake Cargelligo Central School SRC Trivia Night – Save the Date!
Monday 7th September, 6-8:30pm

In partnership with Lake Cargelligo Sports Club the Lake Cargelligo Central School Student Representative Council (SRC) is holding the 1st Annual LCCS SRC Trivia Night at the Sports Club. There will be a wide variety of food and drinks available on the night. Cost: $10 per person (includes light supper). Bring a team of friends or make up a team on the night. Teams can be 2 to 8 people.

All money raised on the night will be utilised by the SRC for student run projects both in the school and broader Lake Cargelligo community, as well as building leadership capacity in our students through targeted leadership programs and activities.

We need your help!

To help make this night a success we are seeking donations of prizes from the community to be utilised on the night. Perhaps you own, run or work for a local business and can offer a product or a service as a prize. No prize to small or large! We are seeking major prizes, minor prizes, spot give-aways, individual game prizes and more! All donations will be acknowledged on the night verbally and through signage. If you are able to donate or have any questions about how you might be able to contribute to this night please contact Andrew Finlay at the school. We hope to see you there!

Andrew Finlay and Nicola Plowman (on behalf of the SRC)

SCHOOL HOURS

A reminder to parents to ensure that their children are at school on time. Quite a number of students are still turning up to school a few minutes late and with the new online roll marking procedures these students are marked as a partial absence. Getting to the school prior to the bell will ensure that they would be marked as present.
CANTEEN NEWS 2015

A reminder to all parents/carers, students and staff that lunch orders need to be in by 11.30am. This makes lunch time run much smoother for all.

LUNCH TIME SPECIAL

Thursday 6 August 2015

Meal Deal – $4.50
Mini Wrap
Fruit Box
Cake
